

Kern County Sheriff's Office

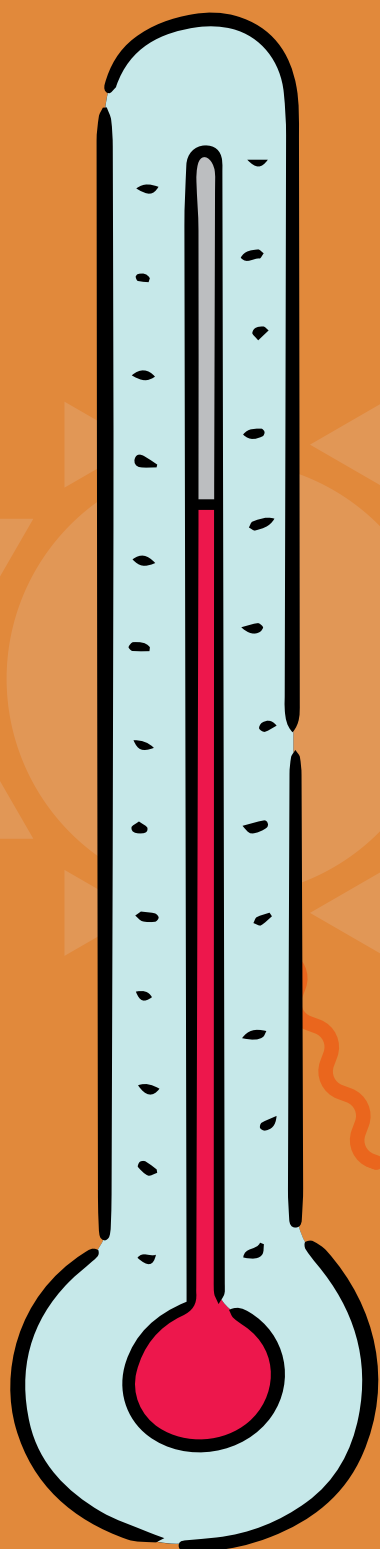

DID YOU KNOW THAT EVEN ON A COOL 70 DEGREE DAY, THE INSIDE OF YOUR VEHICLE CAN REACH A TEMPERATURE OF 94 DEGREES IN A SPAN OF 15 MINUTES?

Tips for Hot Car Safety

NEVER LEAVE YOUR CHILDREN OR PETS ALONE IN A CAR FOR ANY REASON, EVER.

PRIORITIZE GETTING YOUR CHILDREN OUT OF THE CAR FIRST, THEN YOUR GROCERIES, AND EVERYTHING ELSE AFTERWARDS.

PLACE YOUR PURSE OR BACKPACK ON THE BACKSEAT. DOING THIS EVERY TIME WILL INSTILL THE HABIT TO CHECK THE BACK SEAT EVERY TIME YOU LEAVE YOUR CAR.

FLIP →

IF YOU'RE BUYING A NEW CAR, CONSIDER ONE THAT HAS A BACK-SEAT REMINDER/ ALARM.

PUT A REMINDER IN THE FRONT SEAT LIKE A TEDDY BEAR OR A DIAPER BAG WHEN YOUR CHILD IS IN THE BACKSEAT.

EVEN FOR A FEW SHORT MINUTES LEAVING THE CAR RUNNING AND THE AIR CONDITIONER ON IS NOT A SAFE SOLUTION. THERE ARE MANY THINGS THAT CAN GO WRONG, I.E. CHILD PUTS CAR IN DRIVE, CHILD ABDUCTION, ETC.

Remember, if you see a child trapped in a hot car, take immediate action and call 911.
