Comments: The Justice Facility opened in May of 2018 and is the most modern facility within the Detentions Bureau. Video surveillance has been the biggest asset and preventive measure in improving the safety of inmates incarcerated in the facility. The Justice Facility PREA Compliance staff will continue to monitor operations to ensure compliance with PREA standards and maintain KCSO's policy of zero-tolerance for sexual abuse and harassment.

Facility changes needed, or reasoning if none No changes were needed. Reviews of the facility's incidents did not indicate common elements that suggested the need for changes specific to the facility. Justice is the newest facility and has a modern design and technology that aids in detecting and preventing sexual assault/abuse or harassment in the facility.

Agency changes needed, or reasoning if none Please see the "Incident Reviews and Corrective Actions" of the Agency Report
