### Annual Pursuit Training PC 13519.8 Compliance

To be in compliance with PC 13519.8, **all** sworn personnel, with the exception of Detention Deputy Classifications, who are authorized to operate a Code 3 (marked/unmarked) equipped vehicle, must have mandatory pursuit training on an annual basis. To maintain compliance with this state statute the Training Section has developed a Power Point presentation and driving test on SheriffNet. The reading of the power point, which includes pursuit training, and the taking of the driving test will satisfy the annual pursuit training requirement of PC 13519.8. The review of the power point and taking of the test will have to be completed on an annual basis at the beginning of each year. Supervisors will assure their personnel complete the training and driving test each year. The Training Section will distribute the power point and test annually.

Per PC 13519.8(c)(1); all law enforcement officers who have received their basic training before January 1, 1995 shall participate in supplementary training on high speed vehicle pursuits, as prescribed and certified by the commission. The power point presentation and driving test on SheriffNet will also satisfy the statute requirement for personnel who fall under this category.

It is important that supervisors assure their personnel complete this training. Sworn personnel who have to complete this mandatory training will need to complete the reading of the PowerPoint and taking of the test by March 4, 2022. Sworn personnel must get all 10 test questions correct to pass the test. Supervisors can click the following link to assure their personnel completed the annual pursuit training.
