“Community Policing Defined” Training Course

As part of the Kern County Sheriff's Office's effort to better understand the benefits and concepts of Community Policing while strengthening the working relationships with the community stakeholders of Kern County, as identified by the Stipulated Judgement, all Sworn personnel are required to complete “Community Policing Defined” training available on the COPS Training Portal. A link to the training has been provided below.

<https://copstrainingportal.org/project/community-policing-defined/>

After clicking the link, you must create a user account and enroll in the self-paced 4-hour “Community Policing Defined” course. Once you have finished the course, you must forward a copy of your certificate of completion to the Training Unit to receive credit. Certificates can be emailed to hemingwaya@kernsheriff.org.

By acknowledging this training bulletin, you are indicating you will complete the “Community Policing Defined” portal training via the above link and provide the course certificate to Training personnel by Friday, November 1, 2024, at 1700 hours.
