## TRAINING BULLETIN

DATE: September 5, 2025

### 2025 Annual Pursuit Training PC 13519.8 Compliance

To be in compliance with PC 13519.8, **all** sworn personnel, with the exception of Detention Deputy Classifications, who are authorized to operate a Code 3 (marked/unmarked) equipped vehicle, must have mandatory pursuit training on an annual basis. POST Regulation 1081 requires this training to be a minimum of one hour in length. To maintain compliance with these regulations, the Training Section has developed the new annual pursuit training presented through the POST Learning Portal. This training will satisfy the annual pursuit training requirement of PC 13519.8 and POST Regulation 1081.

Per PC 13519.8(c)(1); all law enforcement officers who have received their basic training before January 1, 1995, shall participate in supplementary training on high-speed vehicle pursuits, as prescribed and certified by the commission. The pursuit training presented through the POST Learning Portal will also satisfy the statute requirement for personnel who fall under this category.

Sworn personnel who have to complete this mandatory training will need to log into their POST Learning Portal account and "Vehicle Pursuit Policy" training. The training can be accessed via the link below:

- <https://lp.post.ca.gov>

After completing the course, all personnel are required to complete the "Pursuit Policy Training Attestation" form and submit it to training via email at [POST@kernsheriff.org](mailto:POST@kernsheriff.org). In order to assist with the completion of the form, a prefilled form with the required areas highlighted is provided. The prefilled form can be accessed via the link below:

All sworn personnel in the Deputy Sheriff and Park Ranger ranks are required to complete this training no later than **Friday, October 3, 2025**.
